

## **KÖNIGSKINDER**

Early summer 2004 guitarist Frank Wenten decided, to form a new music-group in Konstanz, Bodensee.

After a suitable room was found, Sylvia Othmer was added as a singer. Several drummers changed, until Andreas Spaett was the right one to come.

Finally, bassist Sebastian Harttung entered the line-up, so in September 2004 KÖNIGSKINDER were ready for take-off.

KÖNIGSKINDER play rock music in German language at their own style . Self written compositions are strong and straightforward, combined with sensitive lyrics.

Before getting started with KÖNIGSKINDER, Frank, Andreas and Sebastian already played in various bands, while Sylvia was trained in Dance, Theatre and Singing.

KÖNIGSKINDER present a colourful program, variously as life. Do not miss!
